A remarkable Charles Cudd masterpiece set on 10 wooded acres in the beautiful community of Afton, tucked away on a quiet cul-de-sac and surrounded by nature with your own private pond. As you approach the property, the home makes an unforgettable first impression. Large stone trap rock accents line the circular driveway, leading to a stunning custom water fountain and setting the stage for the craftsmanship that awaits inside. The interior showcases exceptional architectural detail and superior craftsmanship, including wide-plank white oak floors, tall base moldings and casings, striking beamed ceilings, and enormous picture windows that flood the home with natural light while framing the peaceful landscape. At the heart of the home is a gourmet kitchen designed for both everyday living and entertaining, featuring a commercial-grade Monogram gas range, quartz countertops, tile backsplash, custom cabinetry, and an expansive walk-in pantry that functions as a secondary kitchen. Just beyond is a beautiful screen porch with fireplace, tile flooring, and under decking, creating a perfect space to enjoy the surrounding woods in every season. The main level offers an abundance of spaces designed for gathering and entertaining, including an oversized great room with fireplace, a private office with custom built-ins, and an open dining room that flows seamlessly into the great room. Off the kitchen, a sunroom
